

CARE AND MAINTENANCE OF WOOD TOPS

POLYURETHANE FINISH

The polyurethane finish is virtually maintenance free. Clean with mild soap and water.

Wipe dry.

DO NOT cut into the polyurethane finish butcher block.

OILED FINISH

DO NOT allow moisture of any type to stand on the butcher block top for long periods of time.

Clean by wiping the surfaces down with mild dish soap and water. Dry thoroughly. DO NOT use harsh detergents of any type to clean the top.

Maintain butcher block tops by reapplying mineral oil periodically (once every 3-4 weeks, depending upon the use and humidity conditions).
